Message from Mike Rosen

Hello CCC Family,

We have successfully concluded the first quarter of the year and I would like to express my gratitude for all your efforts and dedication. These have been challenging times and I hope you all continue to remain healthy and safe during this pandemic. I am very much looking forward to our return to normalcy so that we can once again enjoy our in-person company celebrations and events.

Last month, we had our first quarterly roundtable meeting in which we discussed the company's strengths, weaknesses, and progress to date. We will be having this meeting at the end of every quarter moving forward and I encourage you all to bring any questions or concerns you may have. This is a great time to discuss, collaborate, and resolve any issues at hand.

To conclude, our company remains successful because of each and every one of you. Let us continue working hard and make this year our best one yet.

Thank you,
Mike
